LAVA CAKE WEDNESDAYS 15,000won

Besides the flavor, texture and ample serving, what really sets our Lava Cake apart from other cakes is, ours is baked to order in our oven not a microwave. It takes 18 to 20 minutes to bake this chocolate delight. Our chefs use the finest Belgium and French chocolates, flour, eggs, sugar and vanilla to create a rich chocolate cake that contains the molten chocolate within. As a Set Menu item, we top our Lava Cake with a scoop of Premium vanilla ice cream and offer two coffee or tea. All for just 15,000won.
